IV. Plan Review Information

Plans must be submitted with an **Application for Plan Examination** and the appropriate deposit before a permit can be issued, except as listed below.

Plans are NOT required for the following:

- One and two-family dwellings when the total building is 3500 square feet or less.
- Alterations and repair work determined by the plumbing official to be of a minor nature.
- Business, mercantile and storage buildings with required plumbing fixtures < 12.
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00

If work being performed is described above, check box below – **"Plans Not Required"**

Plans are required for all other building types and shall be prepared under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear the architect's or engineer's seal and signature.

Plan Review Project Number _____ Plans Not Required

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of section 23a are subjected to civil fines.

SIGNATURE OF CONTRACTOR OR HOMEOWNER (Homeowner's signature indicates compliance with Section VI – Homeowner Affidavit)

VI. Homeowner Affidavit

I hereby certify the plumbing work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Plumbing Code and **shall not be enclosed, covered up or put into operation** until it has been **inspected and approved** by the City Plumbing Inspector. I will cooperate with the City Plumbing Inspector and assume the responsibility to arrange for necessary inspections.

VII. Fee Schedule – enter the number of items being installed, multiply by the unit price for total fee.

New houses require #1, #2, #24 and #25. Inspections require separate fees.

Item #3 – Water Heater is a flat fee of \$130. No application fee required.

The Application Fee is NON-REFUNDABLE and DOES NOT include any inspections.

Item # 27 – Mobile Home Unit Site: When item is used for sewer excavations in a new park, the permit application should include the Application Fee plus the number of Unit Sites. When setting a mobile or modular home on a private property, a permit should include the Application Fee, a Sewer or Bldg. Drain and a Water Service or Water Distribution Pipe.

NEW PERMIT ADD TO EXISTING PERMIT # (ADD'L INSP FEE MAY BE REQUIRED)

VIII. Instructions for Completing Application

GENERAL: Any regulated activity started prior to the applicant securing the permit will be charged an additional administrative charge at the same rate as the required permit fee not to exceed \$100.00. This shall be paid prior to the issuance of the required permit.

PERMIT EXPIRATION: A permit remains valid provided work is progressing & inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within 6 months of issuance of the permit or if work is suspended or abandoned for a period of 6 months after the time of commencement. A permit will be cancelled when no inspections are requested and conducted within 6 months of the date of issuance or the date of a previous inspection. Cancelled permits cannot be refunded or reinstated.

DEPARTMENT APPROVAL:
